

Smooth, modern lines provide a dramatic tabletop statement

Offering a modern departure from the traditional table setting, Sheer takes geometric design to new levels. Cool and contemporary in style, Metro looks equally stunning with its softly rounded corners and curved edges. An ideal complement to the modern ranges of Sheer and Metro, Neo offers a smooth, refreshing take on traditional shape and design. Likewise, Contour offers a truly individual presentation, with seamless lines and a modern twist on round plateware.

Float ☆☆☆☆

Suspends belief

Appearing to hover just above the tabletop, the unconventional Float creates a new perception of food service, literally suspending belief. A stunning contemporary shape, Float is designed to draw the eye to the dish nestling within its center. With the gentle curve of the rim gradually dipping away, the focus is always on the food.
