

Simple, yet sophisticated

The Nordic region has become synonymous with a chef's skill in utilizing the very best local ingredients to develop a dish, and then presenting them in a sympathetic and contemporary manner. Such an important culinary aesthetic deserves its own platform and the Nordic range encompasses these shared design values. The simple yet sophisticated plate profile allows the chef space to present dishes that can 'breathe' while simultaneously being framed by a deep, gently curving rim. The result is a beautiful surface to showcase some of the most innovative and influential cuisine.
