

# Q1

Q1 is the exclusive, mouth-blown premium collection from Stölzle Lausitz. The glasses are handmade using traditional glassmaking skills and are particularly delicate with a pleasantly lightweight feel in the hand. The drawn stem of the goblets is long and fine, making this collection extremely elegant. The widest part of the wine glasses is set low: this not only gives them an extravagant design, but also offers the wine plenty of room to breathe and develop its aromas when the volume is small. Alternatively, anyone who appreciates the extraordinary design of Q1, but places more value on suitability for everyday use, should choose the glasses from the machine-made Stölzle Quatrophil collection. These glasses have the same, chic and modern design, but are more robust and durable.
