Durable & Sturdy Construction

- Thermo-formed PVC cover
- 1" medium-density fiberboard core for added durability and strength
- Withstands more weight than plywood tables and prevents warping
- Made with resin and wood particle fused together
- Resistant to heat, stains, and scratching
- For indoor use only

Table Kits Available

- Hardware included for quick and easy assembly
- Durable cast iron bases
- Comes with a cast iron spider that improves balance and helps to maintain a flat surface
- Steel column that helps keep your table tops balanced and sturdy

Finish Samples Available

View product samples in your space before buying.

Easy Setup

Black melamine backer to attach table bases.

Seamless Round Edges

For a clean look and added safety.
