

TILT TRUCK SERIES

The Royal Basket Trucks® Tilt Truck Series is a durable product line that is designed as an extension of Royal's® Heavy Duty Poly Series to maximize the efficiency of material handling in many industries. The Tilt Truck Series is available in ½-yard and 1-yard sizes, offering different styles. The Tilt Truck Series product line includes a seamless durable plastic tub that is easy to clean and sanitize, maximizing the overall efficiency. All products within the Royal® Tilt Truck Series are made in the USA.

The Royal® Tilt Truck Series is a dependable and versatile product line for material handling. The polyethylene body with double-walled top is designed to increase efficiency while offering strength and support through the heaviest of loads. The powder coated steel frame and base features two 10" standard rubber wheels with 1 or 2 swivel casters for easy maneuvering. The Tilt Trucks are produced in four standard colors; black, blue, gray and red. Other colors are available upon request. Molded hinged lids, vinyl covers, custom labeling & branding available.
