

NEW!

8/12/16oz. Trilogy Popper

The Trilogy popper is exactly what it's name means, three popper sizes in one machine! The kettle will pop an 8oz., 12oz. or 16 oz. popcorn portion pack quickly and efficiently.

Versatile kettle

- Pops 8, 12 and 16oz. Portion packs

Stainless Steel welded frame

- Sturdy construction will not warp or bend

One-piece swing down kettle with magnetic lid

- Provides maximum popcorn expansion, easy dump and cleaning.

Clean in Place Kettle

- No need to remove kettle for cleaning

Heat lamp

- Keeps corn dry and crisp

Cycling Pilot Light

- Indicates when popper is ready for production

Plugs into a standard 15 amp outlet

Dimensions: 22"D x 25"W x 34.5"H
Electrical: 120V/60HZ; 230V/60HZ; 1760 Watts
