Compact Lobby Dustpan

When you need a commercial dustpan and you're facing space challenges, reach for the color-coded Vikan Compact Lobby Dustpan.

Even though it's more compact, this upright dustpan with a locking lid still has the same great features as our larger version, which is popular in janitorial, food manufacturing, and food retail businesses.

- ✓ Can be paired with any lobby or angle broom.
- ✓ Dustpan stands on its own and the lid locks into place.
- ✓ Can be hung with a broom tucked inside the bin.
- ✓ A flexible lip conforms to floors to make sweeping efficient.
- ✓ Lighter size and smaller frame reduces worker strain.
