

Drying Racks

Dry and store your kitchen essentials

Efficient and durable shelving solutions for drying and storing kitchen utensils, pots and pans, etc.

Features

Environments

Green Epoxy (All Environments, Dry & Moist).

Airflow

Open design of shelving and ability to adjust shelves facilitates ventilation and maximizes airflow in between plates, utensils, pots and pans, etc. for maximum drying efficiency.

Durability

Long-lasting storage solution and commercial-grade construction.

High Volume

Has the capability to store a large amount of kitchenware with ease.

Popular Kits

460EG2436D1C 1 1/4" Slots

460EG2460D3C 3" Slots

Easier Drying

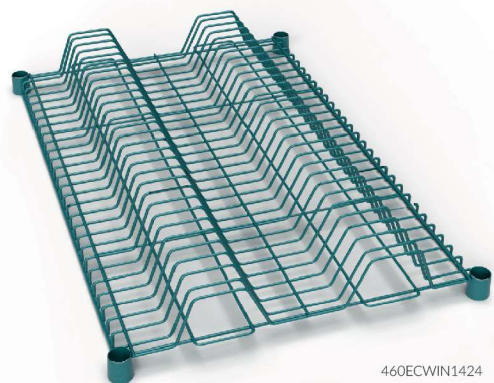

Shelf design allows for high-volume use and airflow that promotes quicker drying times
