

Sliding Shelves

Convenient sliding shelving for easy access

This chrome wire sliding shelf is the perfect addition for a versatile and reliable storage solution. The shelf slides forward for easy access and simple item retrieval. It's the perfect addition to storage in dry environments.

Features

Environments

Chrome (Dry Environments).

Airflow

Open design of shelving and ability to adjust shelves facilitates ventilation and maximizes airflow in between and around products.

Versatile

To support your ever-evolving storage needs, the shelf is fully adjustable along shelving posts (sold separately). This allows it to accommodate products of varying shapes and sizes.

Easy Assembly / Take Down

Can be assembled and disassembled with ease and adjusted without tools or hardware - comes with split sleeves.

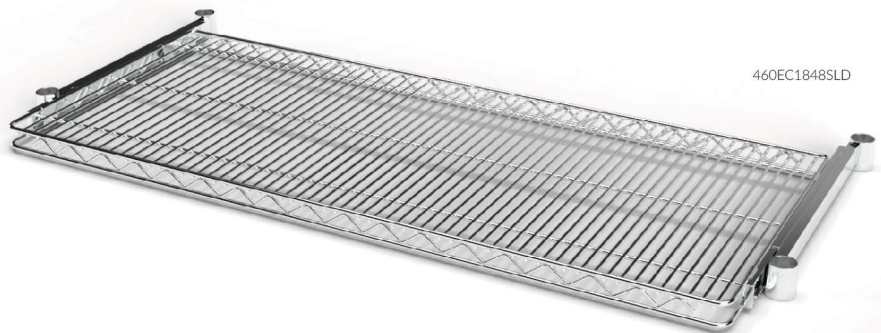

Sliding Shelves

Provides easy access to contents located at the back of the shelf. This eliminates the hassle of reaching over products and allows access to all products stored on the shelf.

Sliding Shelving
