

Walk-In Kits

Quickly and easily outfit a large space with shelving

This Regency walk-in shelving kit is a great way to quickly and easily outfit a larger space with shelving. Use drop mat shelving for easier cleaning.

Features

Environments

Green Epoxy
(All Environments, Dry & Moist).

Options

Variety of sizes for different walk-in configurations. Drop mats are available as an option and are dishwasher safe.

Airflow

Wire design ensures ample airflow and ventilation around items; ensures that products stay within safe holding temps.

Durability

Long-lasting storage solution and commercial-grade construction. Meant to resist corrosion.

Easy Assembly

All hardware included
