

Underbar Equipment

Modular effect: Equipment and accessories connect.

Regency Spec Line brings you the highest quality, dependable equipment. Our products are constructed using NSF certified type 304 stainless steel, ensuring resistance to corrosion and enhanced durability in a busy workplace.

Regency Spec Line stands behind the quality and durability of their products with a 1-year warranty, ensuring peace of mind for their customers.

Sinks, Ice Bins, Glass Racks, Drainboards

19" & 24" Lines

Liquor Display Racks

24" & 29" Lines

Threaded Accessory Inserts

Preinstalled threaded inserts for easy accessory attachment.

Taller Backsplash Height

7" backsplashes to protect the bar surrounding areas.

Predilled Attachment Holes

Predilled attachment holes for uniform underbar area.

Stainless Steel Leg Construction

The stainless steel cross-braced legs offer superior stability and further protection against corrosive substances.

Adjustable Stainless Steel Bullet Feet

Ensure your Regency compartment sink is stable and level with these stainless steel bullet feet. An upgrade to plastic bullet feet, these stainless steel bullet feet provide additional durability and are adjustable to accommodate uneven floors.

Superior "U" Shaped Cross Bracing

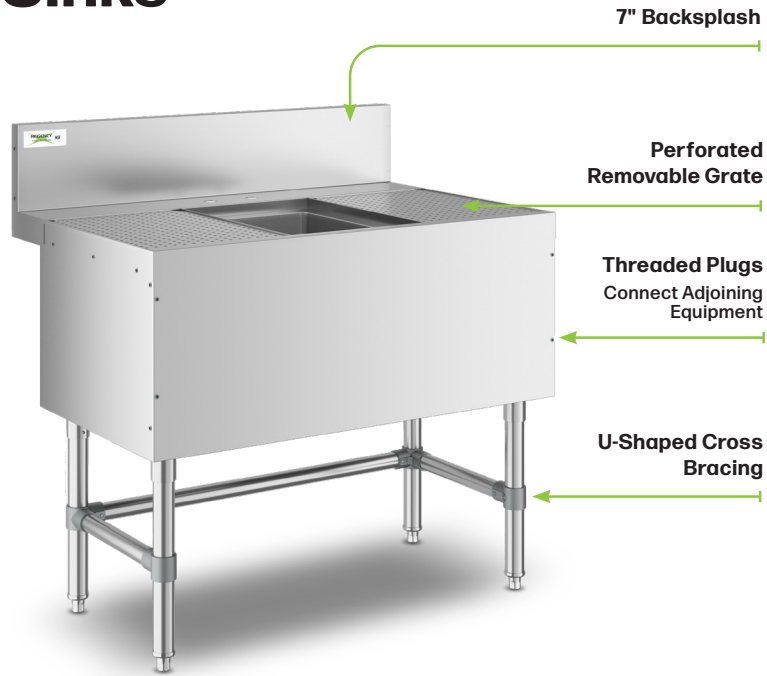

Cross bracing on all four sides for maximum strength and longevity.

Warranty	1 Year
Leg Construction	Stainless Steel
Cross Bracing	Superior "U" Shaped Cross Bracing
Feet	Adjustable Stainless Steel Bullet Feet
