

Cabinet Panel

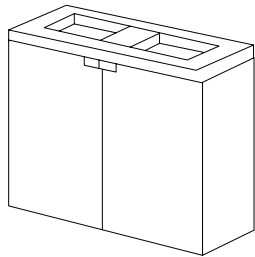

ASSEMBLY INSTRUCTIONS

LANCASTER™
TABLE & SEATING

PARTS

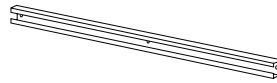

A Waste Cabinet Body (1)

B AD Panel Board (1)

C Reinforcement Slot (1)

HARDWARE

D 6x35mm Phillips Head Screws (6) (included)

TOOLS

E Phillips Head Screwdriver (included)

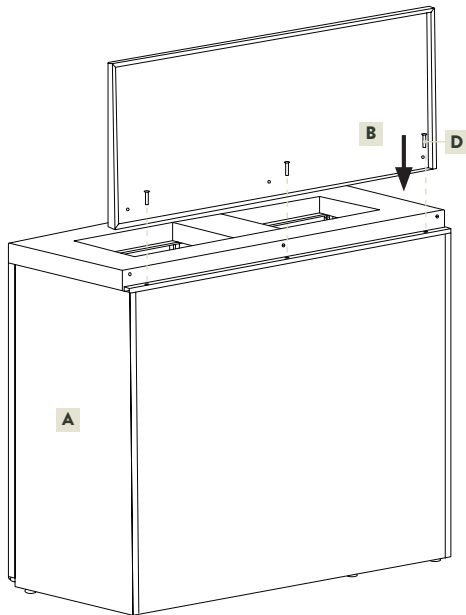

NOTES

The waste cabinet body is sold separately.

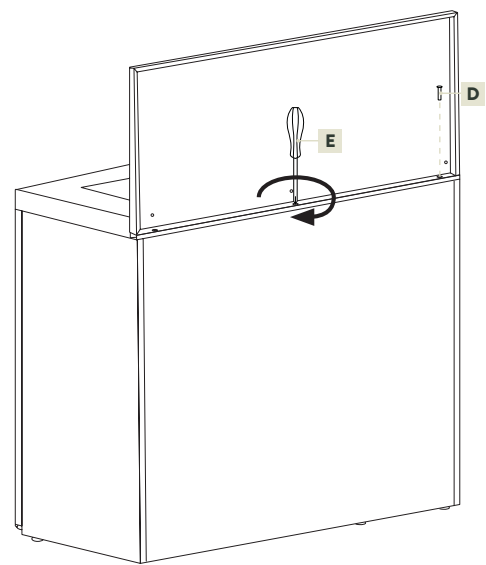

STEP 1

Stand your Lancaster Table & Seating 2- or 3-stream waste cabinet body (A) upright and line up the panel (B) with the three screw holes in the back of the cabinet.

STEP 2

Using the included screwdriver (E), connect the two pieces using (3) of the Phillips head screws (D).
