Six-Star™ Storage Pack Assembly Instructions

Parts List

Number	Description	QTY
1	Floor Panel	1
2	Sliding Door	2

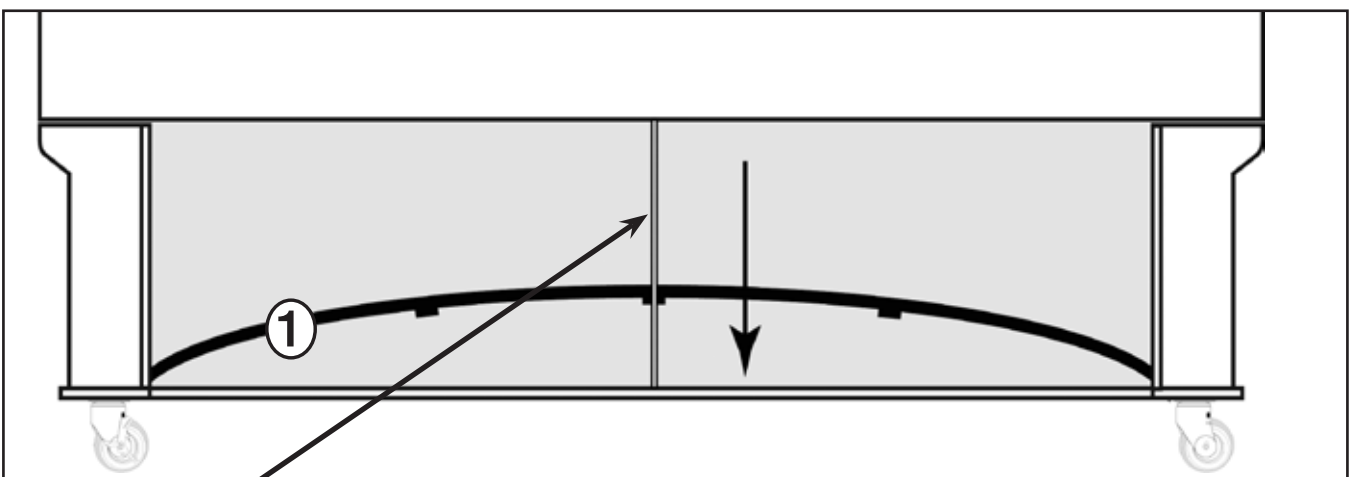

Step 1

Place Floor Panel (1) on the ground and slide it under the food bar.

Step 2

Pick up the Floor Panel from the center. Arch the center of the food bar up, lifting it into the inside of the Food Bar from the bottom.

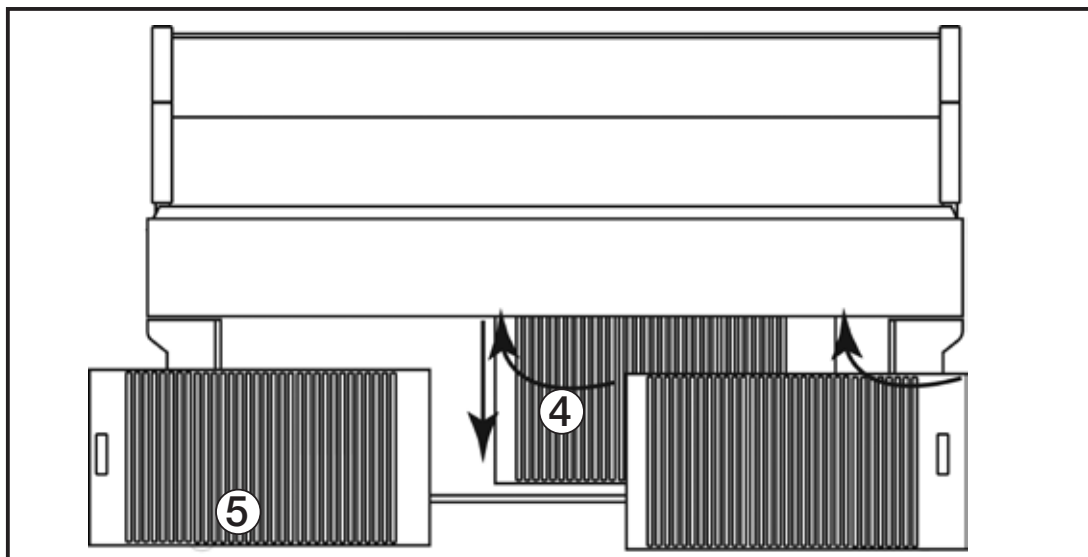

Floor Support Rods

Step 3

Place the edges of the floor into the corners of the Food Bar's interior. The notches on the inside of the floor panel should fit around the floor support rods.

Six-Star™ Storage Pack Assembly Instructions

Step 4

Right door should be installed in rear track with handle slot to the right. Insert top of right door in upper rear track and raise until bottom of door will pass over outer track guides. Allow door to drop into rear lower track.

Step 5

Left door should be installed in front track with handle slot on left side. Insert top of left door in upper front track and raise until bottom of door will pass over outer track guides. Allow door to drop into rear front track.
