KOSHER CERTIFICATE 2024-2025

This is to state that the products listed below produced by **FABBRI 1905 S.P.A.** located at Via Emilia, 82/A – 40011 Anzola Emilia (BO) – Italy, are under our Rabbinical Supervision and are either **KOSHER-PAREVE**  or **KOSHER-DAIRY**  (Cholov Stam).

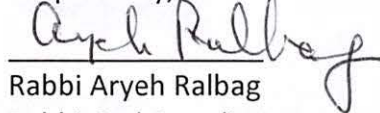

Two Rabbinical Representatives from the Triangle  visit the facility throughout the year. They ascertain that the ingredients used in the Kosher Products are under strict Rabbinical Supervision with valid Kosher Certificates.

There is a full separation between the Pareve productions and Dairy productions – after Dairy productions, the line is Kosherized before commencing a Pareve production. There is a thorough clean-up, 24 hour downtime, and a boiling water purge, when required, before commencing the Pareve production. In addition all the boiler systems are fully Kosherized, through an “automatic-direct-injection” of a “chomer pogaim”. The Mashgichim insure and verify that all Kosher instructions are fully adhered to throughout the year.

This certificate is valid from November 1, 2024 until October 31, 2025 and may be renewed at that time.

The Triangle  or  symbol is required to appear on individual product. Certified only when product number appears on outside carton.

Respectfully,

Rabbi Aryeh Ralbag
Rabbinical Coordinator
