

177023080010 Compatibility Notes 3/26/2025	
Model	Notes
VB202	If your unit has an 11/16" diameter spit, use plate 177023080010. If your unit has an 7/8" diameter spit, use plate 177023080010. You will also need to purchase a compatible 11/16" spit, which can be found in the "Need Parts & Accessories" banner of your unit. A grease protector plate is not currently available for 7/8" diameter spits. See the product page of your unit's spit to find the diameter.
