

### **Model-Specific Compatibility Notes [05/06/2015]:**

**TWT-48:** standard. per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. building 9 production after 2/24/05 production date.

**TBB-24-60G:** Per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TDD-3CT-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**QA-60-24MB-L:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 controls.

**TDD-2-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TBB-3G:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously used before 2/1/05 prod. and serial no.1-3981744.models produced before 11/8/01 or serial no. 1-3192061 are 1/3hp coolers and 800366 totally retrofits. models produced after 11/8/01 to 6/??/02 are 1/2hp coolers and we will have to use 800303. used as standard production after 6/02 may require a relay. replaces the 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TD-95-38:** per pcn 7784 started using again as 6/2/14, needs relay use kit 883694. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TDD-4:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TUC-GAL-48-2:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. not used yet for o\fallon production.

**TSSU-60-24M-DS:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TD-48-18:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TDD-2:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TD-36-12-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TBB-3G-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously used before 2/1/05 prod. and serial no.1-3981744.models produced before 11/8/01 or serial no. 1-3192061

are 1/3hp coolers and 800366 totally retrofits. models produced after 11/8/01 to 6/??/02 are 1/2hp coolers and we will have to use 800303. used as standard production after 6/02 may require a relay. replaces the 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24-48:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TDD-4-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-72-30MB:** per pcn 7784 started using again as 6/2/14. . use kit 882636. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TCM-84:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously.

**TBB-3-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-48-12M-B:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TBB-24-GAL-48G-SD:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24-72G:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24-48G-SD:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TUC-48G:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. building 9 production after 2/24/05 production date.

**TPP-119:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously.

**TRCB-79:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303)9531n376; 800397)9531n393 ce; 800337)9531n374 ce controls.

**TDD-2CT-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**QA-72-30MB:** per pcn 7784 started using again as 6/2/14, requires relay. replaces the 963056 used previously. use kit 882636\n\n115v coolers use after 4/2002 production date & may require new relay 208v/220v this part totally retrofits.

**TRCB-50:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303)9531n376; 800397)9531n393 ce; 800337)9531n374 ce controls.

**TSSU-36-12M-B:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, and 9531n335 controls.

**TDG-50-18:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TD-36-12:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TDG-95-38:** per pcn 7784 started using again as 6/2/14, needs relay use kit 883694. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TBB-4:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TD-50-18:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TDD-3:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TM-95-28:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-36-08:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, and 9531n335 controls.

**TDG-65-24:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TD-24-07:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously.

**TUC-36:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously used after 4/1/05 production date.

**TWT-48G:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. building 9 production after 2/24/05 production date.

**TRCB-79-86:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303)9531n376; 800397)9531n393 ce; 800337)9531n374 ce controls.

**TSSU-60-24M-B:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TSSU-60-24MB-DS:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TWT-36:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously used after 4/1/05 production date.

**TM-65-18:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24-60:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**QA-48-18MB:** per pcn 7784 started using again as 6/2/14. replaces the 800303 and 800397)9531n393 controls.

**TSSU-48-12M:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TBB-24-72:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24GAL-60:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24GAL-72:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-48-18M:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TBB-24GAL-48:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-2G:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TWT-48D-4:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. building 9 production after 2/24/05 production date.

**TDD-3CT:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TD-50-18-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303 and 800397 and 800313 controls.

**TBB-2-S:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TUC-48:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. building 9 production after 2/24/05 production date.

**TSSU-48-15M-B:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TDG-48-18:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TUC-GAL-48:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. not used yet for o'fallon production.

**TBB-24GAL-48G:** per pcn 7784 started using again as 6/2/14. replaces the 963056 used previously. replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-36-12M:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, and 9531n335 controls.

**TSSU-72-30M:** per pcn 7784 started using again as 6/2/14. . Use kit 882636. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TBB-4-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TUC-60-32:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously.

**TD-95-38-S:** per pcn 7784 started using again as 6/2/14, needs relay use kit 883694. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TBB-4G-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously used between 8/29/03 production date to 2/1/05.

**TDD-4CT:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TUC-48D-4:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. Building 9 production after 2/24/05 production date.

**TSSU-60-21M:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TUC-60-32D-2:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously.

**TD-65-24-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TBB-3:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TM-48-13:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-72-30MB-DS:** per pcn 7784 started using again as 6/2/14. . Use kit 882636. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TD-65-24:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TBB-24-48G:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-2:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TWT-60-32:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously.

**TSSU-48-18M-B:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TBB-4G:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously used between 8/29/03 production date to 2/1/05.

**TBB-2G-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TDD-2CT:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TSSU-60-24M:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TDD-3-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TDG-36-12:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-48-15M:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TWT-60-32D-2:** Per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously.

**TDD-4CT-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TRCB-52:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TBB-24GAL-60G:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TBB-24GAL-60G-S:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800313, 9531n335, 800397, 9531n393 ce, 800337, and 9531n374 ce controls.

**TSSU-48-12MB-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TSSU-48-15MB-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TSSU-48-18MB-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TSSU-60-24MB-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TSSU-60-24MB-DS-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TUC-36-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously used after 4/1/05 production date.

**TUC-48-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. Building 9 production after 2/24/05 production date.

**TUC-48G-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. Building 9 production after 2/24/05 production date.

**TUC-48D-4-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. Building 9 production after 2/24/05 production date.

**TWT-48-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. Building 9 production after 2/24/05 production date.

**TWT-48D-4-LP:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously pacific production used after 2/1/05 or approximate serial no. 1-4057603. Building 9 production after 2/24/05 production date.

**TPP-119D-8:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously.

**TDB-24-48:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TDD-3G:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TDB-24-48-1-G-1:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TDB-24-48G:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303 and 800397 and 800313 controls.

**TSSU-72-30M-B-ST:** per pcn 7784 started using again as 6/2/14. . Use kit 882636. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TSSU-60-24M-B-ST:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously. Replaces the 800303, 9531n376, 800397, 9531n393, 800313, 9531n335, 800337, and 9531n374 controls.

**TDD-4G:** per pcn 7784 started using again as 6/2/14. Replaces the 963056 used previously used between 8/29/03 production date and 2/1/05 .
