

Model-Specific Compatibility Notes [05/16/2014]:

GEM-49: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GEM-37: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-23F: 115v before 11/29/12 production date or approximate serial no. 7616018 per pcn 6621 for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GEM-69FC: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-35: Used before 9/14/09 production date per pcn 4353. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TSD-33: Used before 10/23/2009 (pcn #4400) w/ Tecumseh compressor. Check work order for correct compressor. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-69: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-69FC: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-41: Used before 8/31/09 production date per pcn 4346. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-72: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GEM-49FC: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-33CPT-54: Used before 9/7/2010 (pcn #4610) replace with 800457 per pcn 4029. Standard on all units after 6/23/2009 (pcn #4311) check work order for rcu if built before this date.

GDM-41C-48: Used before 1/29/2010 (pcn #4458) check work order for correct compressor (ae630at) not available for True food or True food international accounts. Includes the screws.

GDM-60: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TSD-47G: Used before 11/16/2005 w/ Tecumseh compressors. And used after 3/18/13 on 963079 aea4456y per pcn 6552 for coolers marked rev cond in serial number screen. Not available for True food

or True food international accounts. Includes the screws.

GDM-41CPT-48: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GEM-69: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-47RL: Must check work order for correct compressor. As of 10/24/08 unit can be built w/ Tecumseh, Embraco, or Danfoss. This motor used for units w/ Tecumseh compressors. (pcn #4131) for coolers marked rev cond in serial number screen. Used after 3/18/13 with 963079 aea4456y-aa1c per pcn 6552 international accounts. Includes the screws.

TPP-119: Used by Papa Johns.

GEM-72: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-49W: Used w/ Tecumseh compressors. Check work order for correct compressor. Not available for True food or True food international accounts.

GEM-72FC: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-33CPT: Used before 9/7/2010 (pcn #4610) for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-45HL: Used w/ Tecumseh compressors.

GDM-33CPT-52: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TSD-33G: Used before 10/23/2009 (pcn #4400) w/ Tecumseh compressor. Check work order for correct compressor. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TSD-69: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-69RL: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-43: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-47: Must check work order for correct compressor. As of 10/24/08 unit can be built w/ Tecumseh, Embraco, or Danfoss. This motor used for units w/ Tecumseh compressors. (pcn #4131) for coolers marked rev cond in serial number screen. Used after 3/18/13 with 963079 aea4456y-aa1c per pcn 6552

international accounts. Includes the screws.

TSD-47: Used before 11/16/2005 w/ Tecumseh compressors. And used after 3/18/13 on 963079 aea4456y per pcn 6552 for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-41C: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-47FC: Must check work order for correct compressor. As of 10/24/08 unit can be built w/ Tecumseh, Embraco, or Danfoss. This motor used for units w/ Tecumseh compressors. (pcn #4131) for coolers marked rev cond in serial number screen. Used after 3/18/13 with 963079 aea4456y-aa1c per pcn 6552 international accounts. Includes the screws.

GDM-37: Used before 10/21/2009 (pcn #4401) w/ Tecumseh compressor. Check work order for correct compressor. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TSD-69G: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GEM-45: For coolers marked rev cond in serial number screen.

GDIM-72NT: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-33: Used before 10/23/2009 (pcn #4400) w/ Tecumseh compressor. Check work order for correct compressor. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-49: Used w/ Tecumseh compressors. Check work order for correct compressor. Not available for True food or True food international accounts.

GEM-47FC: Must check work order for correct compressor. As of 10/24/08 unit can be built w/ Tecumseh, Embraco, or Danfoss. This motor used for units w/ Tecumseh compressors. (pcn #4131) for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-72FC: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-49W-RF: Used w/ Tecumseh compressors. Check work order for correct compressor. Not available for True food or True food international accounts.

GDM-37HL: Used before 10/21/2009 (pcn #4401) w/ Tecumseh compressor. Check work order for correct compressor. For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GEM-47: Must check work order for correct compressor. As of 10/24/08 unit can be built w/ Tecumseh, Embraco, or Danfoss. This motor used for units w/ Tecumseh compressors. (pcn #4131) for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-61: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-69HL: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-49RF: Used w/ Tecumseh compressors. Check work order for correct compressor. Not available for True food or True food international accounts.

GDM-26F: 115v before 11/29/12 production date or approximate serial no. 7616018 per pcn 6621 for coolers marked rev cond in serial number screen.

GDM-61FC: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TPP-93: Used by Papa Johns.

GDM-49PT: Used w/ Tecumseh compressors. Check work order for correct compressor. Not available for True food or True food international accounts.

GDM-57: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-45: Used w/ Tecumseh compressors. Used after 3/18/13 with 963079 aea4456y-aa1c per pcn 6552.

TAC-48: Used before 6/13/03 includes the screws.

TCGR-77: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GEM-61FC: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

TCGR-77-CD: For coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-49 DOLLAR GENERAL: Used w/ Danfoss compressors after ~1/7/2008. Check work order for correct compressor.

GDM-72 DOLLAR GENERAL: Used before 1/25/2010 w/ Tecumseh reversing units. (pcn #4452) check work order for correct compressor. All units built after 9/7/2009 are reversing (pcn #4357).

GDM-26F FAMILY DOLLAR: 115v before 11/29/12 production date or approximate serial no. 7616018 per pcn 6621 for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-23F FAMILY DOLLAR: 115v before 11/29/12 production date or approximate serial no. 7616018 per pcn 6621 for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.

GDM-33CPT-GASI: Used before 9/7/2010 (pcn #4610) for coolers marked rev cond in serial number screen. Not available for True food or True food international accounts. Includes the screws.
