

Model-Specific Compatibility Notes [05/27/2014]:

T-49F: (option) shelf standard only (no screws).

T-49: (option) shelf standard only (no screws).

GEM-49: (option) shelf standard only (no screws).

T-19E: (option) shelf standard only (no screws).

T-49F-2-G-2: (option) shelf standard only (no screws).

T-72-6: (option) shelf standard only (no screws).

GDM-22: (option) shelf standard only (no screws).

GDM-49DT: (option) shelf standard only (no screws).

T-49FZ: (option) shelf standard only (no screws).

GDM-35: (option) shelf standard only (no screws).

TM-52G: (option) shelf standard only (no screws).

GDM-33SL: (option) shelf standard only (no screws).

T-72G-6: (option) shelf standard only (no screws).

GDM-23FC-RF: (option) shelf standard only (no screws).

TM-74FG: (option) shelf standard only (no screws).

TM-52G-4: (option) shelf standard only (no screws).

GDM-69: (option) shelf standard only (no screws).

T-23-2: (option) shelf standard only (no screws).

G4SM-23PT: (option) shelf standard only (no screws).

T-23-1-G-1: (option) shelf standard only (no screws).

TM-52-4: (option) shelf standard only (no screws).

TM-74F-6: (option) shelf standard only (no screws).

TM-74G: (option) shelf standard only (no screws).

G4SM-23RL-SI: (option) shelf standard only (no screws).

GDM-41: (option) shelf standard only (no screws).

GDM-72: (option) shelf standard only (no screws).

GDM-26HL: (option) shelf standard only (no screws).

TM-56F: (option) shelf standard only (no screws).

GDM-60: (option) shelf standard only (no screws).

T-72FG: (option) shelf standard only (no screws).

GDM-41SL-54: (option) shelf standard only (no screws).

T-72F: (option) shelf standard only (no screws).

GDM-35RF: (option) shelf standard only (no screws).

GDM-19: (option) shelf standard only (no screws).

T-19FZ: (option) shelf standard only (no screws).

GDM-26RF: (option) shelf standard only (no screws).

GDM-23: (option) shelf standard only (no screws).

GEM-69: (option) shelf standard only (no screws).

T-35: (option) shelf standard only (no screws).

T-72FZ: (option) shelf standard only (no screws).

GDM-47RL: (option) shelf standard only (no screws).

T-49FG: (option) shelf standard only (no screws).

GEM-72: (option) shelf standard only (no screws).

TM-85F: (option) shelf standard only (no screws).

TM-52: (option) shelf standard only (no screws).

GEM-19: (option) shelf standard only (no screws).

GDIM-26NT: (option) shelf standard only (no screws) for replacement of factory installed standards only that were produced with back up plates. There are no shelf standard backup plates in cabinet. Cannot

be retrofit in field.

TM-25: (option) shelf standard only (no screws).

G4SM-23FC: (option) shelf standard only (no screws).

G4SM-23RL: (option) shelf standard only (no screws).

T-35G: (option) shelf standard only (no screws).

T-49F-4: (option) shelf standard only (no screws).

T-19F: (option) shelf standard only (no screws).

T-23G-PT: (option) shelf standard only (no screws).

GDM-45HL: (option) shelf standard only (no screws).

T-19G: (option) shelf standard only (no screws).

T-23G-2: (option) shelf standard only (no screws).

GDM-69RL: (option) shelf standard only (no screws).

T-49G-RL: (option) shelf standard only (no screws).

TM-24FG: (option) shelf standard only (no screws).

TM-74-6: (option) shelf standard only (no screws).

GDM-47: (option) shelf standard only (no screws).

T-49G-PT: (option) shelf standard only (no screws).

TM-52FG: (option) shelf standard only (no screws).

T-72G: (option) shelf standard only (no screws).

T-19: (option) shelf standard only (no screws).

TM-74: (option) shelf standard only (no screws).

T-23RL: (option) shelf standard only (no screws).

GDM-47FC: (option) shelf standard only (no screws).

GDM-37: (option) shelf standard only (no screws).

GDM-23FC: (option) shelf standard only (no screws).

T-23: (option) shelf standard only (no screws).

T-49G: (option) shelf standard only (no screws).

GDM-49RL: (option) shelf standard only (no screws).

T-72F-6: (option) shelf standard only (no screws).

T-72: (option) shelf standard only (no screws).

T-49-2-G-2: (option) shelf standard only (no screws).

TM-24: (option) shelf standard only (no screws).

GDM-72NT: (option) shelf standard only (no screws) for replacement of factory installed standards only that were produced with back up plates. There are no shelf standard backup plates in cabinet. Cannot be retrofit in field.

T-23G-RL: (option) shelf standard only (no screws).

T-23G: (option) shelf standard only (no screws).

TM-52F: (option) shelf standard only (no screws).

GDM-33: (option) shelf standard only (no screws).

TM-74F: (option) shelf standard only (no screws).

GDM-49: (option) shelf standard only (no screws).

TM-24F-2: (option) shelf standard only (no screws).

GDM-72FC: (option) shelf standard only (no screws).

TM-24F: (option) shelf standard only (no screws).

GDM-37HL: (option) shelf standard only (no screws).

TM-24G-2: (option) shelf standard only (no screws).

GDM-26: (option) shelf standard only (no screws).

GEM-47: (option) shelf standard only (no screws).

GDM-23RF: (option) shelf standard only (no screws).

GDM-61: (option) shelf standard only (no screws).

GDM-49FC: (option) shelf standard only (no screws).

GEM-23FC: (option) shelf standard only (no screws).

GDM-69HL: (option) shelf standard only (no screws).

GDIM-60: (option) shelf standard only (no screws).

TM-24-2: (option) shelf standard only (no screws).

GEM-23: (option) shelf standard only (no screws).

GDM-49RF: (option) shelf standard only (no screws).

G4SM-23: (option) shelf standard only (no screws).

TM-85: (option) shelf standard only (no screws).

T-72-3-G-3: (option) shelf standard only (no screws).

GDM-23HL: (option) shelf standard only (no screws).

T-49G-4: (option) shelf standard only (no screws).

GDIM-49NT: (option) shelf standard only (no screws) for replacement of factory installed standards only that were produced with back up plates. There are no shelf standard backup plates in cabinet. Cannot be retrofit in field.

T-49-4: (option) shelf standard only (no screws).

GDM-41SL: (option) shelf standard only (no screws).

TM-52F-4: (option) shelf standard only (no screws).

GEM-26: (option) shelf standard only (no screws).

GDM-57: (option) shelf standard only (no screws).

T-49PT: (option) shelf standard only (no screws).

GDM-45: (option) shelf standard only (no screws).

TM-54: (option) shelf standard only (no screws).

T-19E-FZ: (option) shelf standard only (no screws).

TM-24G: (option) shelf standard only (no screws).

GDM-23-2: (option) shelf standard only (no screws).

GDM-52TM: (option) shelf standard only (no screws).

GDM-52TM-RL: (option) shelf standard only (no screws).

T-23PT: (option) shelf standard only (no screws).

TG1F-1G: used before 7/22/13 on starbuck unit per pcn 7048\n\n(option) shelf standard only (no screws).

GDM-49 DOLLAR GENERAL: (option) shelf standard only (no screws).

GDM-72 DOLLAR GENERAL: (option) shelf standard only (no screws).

T-49-4PT: (option) shelf standard only (no screws).

GDM-49 FAMILY DOLLAR: (option) shelf standard only (no screws).

T-49MHC: (option) shelf standard only (no screws).

GDM-19T: (option) shelf standard only (no screws).
