

#### **Model-Specific Compatibility Notes [06/13/2014]:**

**T-49F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (Full size bun tray rack holds maximum of 16 pans using these slides) (Half size bun tray rack holds maximum of 6 pans using universal slides).

**T-49:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-72FG:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-52G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-52-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23FG:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-74G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**T-72F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (Full size bun tray rack holds maximum of 16 pans using these slides) (Half size bun tray rack holds maximum of 6 pans using universal slides).

**TS-49G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23-1-G-1:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-35:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-35F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TPP-119:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-44:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-52:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TH-23:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (Full size bun tray rack holds maximum of 16 pans using these slides) (Half size bun tray rack holds maximum of 6 pans using universal slides).

**TM-25:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-49F-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TC-49:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23G-RL:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-49F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-72:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-72F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-35G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**T-23F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (Full size bun tray rack holds maximum of 16 pans using these slides) (Half size bun tray rack holds maximum of 6 pans using universal slides).

**TM-74-6:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-72-3-G-3:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-74:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23F-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-93:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**T-23:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (Full size bun tray rack holds maximum of 16 pans using these slides) (Half size bun tray rack holds maximum of 6 pans using universal slides).

**TWT-44:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TC-49G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-49FG:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-67:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-67:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**T-72:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-24:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-60-32:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-52F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-23G-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-74F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-24F-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-24F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-49:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-60-32:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-24-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-93:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-72G-6:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-44F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TC-23:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TPP-60:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TPP-67:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TPP-93:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-52F-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TPP-44:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TS-72G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-54:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-67F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-93F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TWT-93F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-60-32F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TWT-67F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TWT-60-32F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-119:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TWT-119:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TWT-44F:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TPP-119D-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TPP-119D-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TPP-119D-6:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-93D-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-119D-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-119D-6:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TUC-119D-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack.  
(purchased part #832058).

**TWT-119D-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-119D-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-119D-6:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-93D-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-93D-2:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-93D-4:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TM-24G:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-67HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-44HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-44HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-44F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-44F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-67HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-67F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-67F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-93HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-93F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-93HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-93F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-60-32HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-60-32HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TUC-60-32F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).

**TWT-60-32F-HD:** Wider rail that allows narrower pans as well as the wider pans to fit into the bun tray rack. (purchased part #832058).
