

Grille and Door Compatibility Chart

To find your reference number, follow the directions based on how many digits are in your unit's serial number:

- **9-digit serial number:** Look at the set of 8 numbers in the bottom right corner of the tag (not the serial number). Numbers 5-8 are the reference number.
- **16-digit serial number:** The reference number is digits 9-12 of the serial number.
- **17-digit serial number:** The reference number is digits 14-17 of the serial number.

All parts listed below are compatible to equipment with a reference number less than 2604.
