

Hinge Kit Compatibility Notes (Updated 04/28/2026)

To find your reference number, follow the directions based on how many digits are in your unit's serial number.

17-digit serial number, the reference number is digits 14-17 of the serial number.

16-digit serial number, the reference number is digits 9-12 of the serial number.

9-digit serial number, look at the set of 8 numbers in the bottom right corner of the tag (not the serial number). Numbers 5-8 are the reference number.
