

Avantco Ice Machine Compatibility Notes

Production date can be found on the serial plate of your unit.

Part	Part Item	Notes	Length Needed (Cap Tubes)	Models
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		194UCF120A
Compressor	19492380	Units produced on/after 10/2023		
Compressor	19496226	Units produced before 10/2023		
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		194UCF160A
Compressor	19493650	Units produced on/after 10/2023		
Mounting Plate	19490200606	Necessary for installation of item number 19494522 if unit was produced 2/2022 or earlier		
Compressor	19496226	Units produced before 10/2023		
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		
Compressor	19493650	Units produced on/after 10/2023		
Mounting Plate	19490200606	Necessary for installation of item number 19494522 if unit was produced 2/2022 or earlier		
Compressor	19496226	Units produced before 10/2023		194UCH210A
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		
Compressor	19492400	Units produced on/after 10/2023		
Compressor	19498682	Units produced before 10/2023		
Fan Blade	19491252	Units produced on/after 10/2023		
Fan Blade	19410031	Units produced before 10/2023		
Mounting Plate	19490200606	Necessary for installation of item number 19494522 if unit was produced 2/2022 or earlier		
Compressor	19497227	Units produced before 10/2023		
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		
Compressor	19492400	Units produced on/after 10/2023		
Compressor	19498682	Units produced before 10/2023		
Fan Blade	19491252	Units produced on/after 10/2023		
Fan Blade	19410031	Units produced before 10/2023		
Mounting Plate	19490200606	Necessary for installation of item number 19494522 if unit was produced 2/2022 or earlier		
Compressor	19497227	Units produced before 10/2023		

Avantco Ice Machine Compatibility Notes

Production date can be found on the serial plate of your unit.

Part	Part Item	Notes	Length Needed (Cap Tubes)	Models			
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		194UCH280A			
Compressor	19493910	Units produced on/after 10/2023					
Condenser Motor	19470081	Units produced on/after 10/2023					
Fan Motor	19494417	Units produced before 10/2023					
Fan Blade	19410006	Units produced on/after 10/2023					
Fan Blade	19410031	Units produced before 10/2023					
Mounting Plate	19490200606	Necessary for installation of item number 19494522 if unit was produced 2/2022 or earlier					
Compressor	19498228	Units produced before 10/2023					
Cap Tube	194CAPTUBE46	Units produced on/after 10/2023	100" Length				
Water Pump	19494522	Purchase item number 19490200606 with pump if unit was produced 2/2022 or earlier		194UCF280A			
Compressor	19493910	Units produced on/after 10/2023					
Condenser Motor	19470081	Units produced on/after 10/2023					
Fan Motor	19494417	Units produced before 10/2023					
Fan Blade	19410006	Units produced on/after 10/2023					
Fan Blade	19410031	Units produced before 10/2023					
Mounting Plate	19490200606	Necessary for installation of item number 19494522 if unit was produced 2/2022 or earlier					
Compressor	19498228	Units produced before 10/2023					
Cap Tube	194CAPTUBE46	Units produced on/after 10/2023	100" Length				
Expansion Valve	19496968	Units produced before 10/2023		194MCH322A	194KMCH322BA	194KMCH322HA	194KMCH322LA
Compressor	19499230	Units produced on/after 10/2023					
Dry Filter	19497517	Units produced before 10/2023					
Dry Filter	19496574	Units produced on/after 10/2023					
LED Light	19494468	Units produced on/after 10/2023					
Compressor	19498228	Units produced before 10/2023					
Expansion Valve Assembly	19420720	Units produced before 10/2023					
Cap Tube	194CAPTUBE46	Units produced on/after 10/2023	91" Length
