

FIVE YEAR ORIGINAL COMPRESSOR WARRANTY - NORLAKE REFRIGERATION SYSTEMS

WARRANTY COVERAGE: This warranty neither assumes, nor authorizes any person to assume, any obligation other than that covered by this warranty, and applies only within the continental boundaries of the United States of America, its territories and possessions, and Canada. This optional warranty is in lieu of any other applicable standard warranty.

Norlake warrants this product to be free from defects in material or workmanship under normal use and service. In the event of failure, the obligation of Norlake under this warranty shall be limited to repairing or replacing with a like compressor, at Norlake's option, F.O.B. Hudson, WI, the original equipment compressor only from the warranted original equipment product which proves defective, and which Norlake's examination shall disclose to its satisfaction to be thus defective, and which cannot be placed back into operation in the field with normal service efforts.

A replacement compressor installed as a result of this warranty is not subsequently covered by this warranty. Norlake reserves the right to require the return, collect freight, of any defective part. **A Norlake provided authorization number is required before the return of any parts or equipment.**

Should purchaser elect to obtain a replacement for the defective compressor locally in lieu of purchasing the part directly from Norlake, Norlake's financial obligation will be limited to a reimbursement consistent with the purchaser's/user's then current wholesale price for the defective compressor acquired from Norlake, Incorporated minus any applicable salvage value.

The warranty is in force for five (5) years from date of installation, but not longer than five (5) years three (3) months from Norlake invoice date. Any claim for defects occurring between five (5) years and five (5) years three (3) months from Norlake invoice date must furnish proof that installation date did occur within three (3) months of Norlake invoice date.

WARRANTY EXCLUSIONS: This warranty does not apply to equipment which has been subject to removal from original installation site, dismantled and rebuilt, or subject to any accident, alterations by unauthorized service, negligence, abuse, misuse, or improper installation. This warranty does not include any labor or mileage charges for replacement or repair of defective parts. This warranty does not include replacement of any expendable items such as refrigerants, oils, filters or driers. This warranty does not apply to electrical inter-wiring, refrigerant piping, drain lines or field work provided by others. Floor panels are not warranted under the following conditions: wet mopping or use of a water hose for cleaning, rolling wheel traffic (carts, dollies, etc) on non-reinforced (overlay) floors and/or weight loads exceeding 800 lbs/sq.ft on non-structural floors. This warranty does not apply to any failure as a result of use/abuse, site or environmental conditions.
