RAPIDO

Created with the intention of establishing a pioneer movement in the time-honored food service industry, Axis Equipment Co. has launched its stellar product line, based on the simple principles of superior quality and excellent service.

The RAPIDO speed oven utilizes a combination of convection heat, high-speed impinged air, bottom infrared, and precision microwave to reduce cook times by more than 80% with chef-quality results. Rapido speed ovens are equipped with a removable catalytic converter, which breaks down grease-laden vapors, allowing ventless operation.
