1

Assemble the left and right side hooks on the front.

Insertar ganchos de los laterales en las ranuras superiores e inferiores de los postes del frontal.

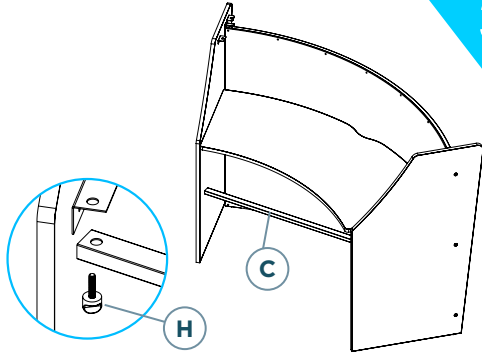

2

Place a desk on the side brackets.

Colocar escritorio sobre las escuadras de los laterales.

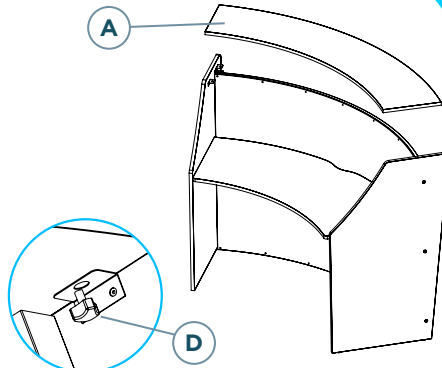

3

Place the support bar at the bottom and fasten it with a safety knob. In the other 2 holes hold the desk with the clover knob.

Colocar en la parte inferior la barra soporte y sujetar esta con los regatones pellizco. En los otros 2 barrenos sujetar el escritorio con 2 regatones trebol.

4

Place top cover on top of the structure and secure it with safet yknob. Adjust leveling glides.

Colocar la cubierta sobre la estructura y asegurar con rondana de presion y regatón. Ajustar niveladores.
