Maximize Productivity with a CPG Ultra Series Chrome Griddle / Chef Base Kit

3/4" rear gas connection, available in natural gas or liquid propane.

Chrome griddles take 45% less time to clean than standard steel plate griddles

The convenient, built-in standing pilot offers instant ignition for an immediate flame whenever you need it.

Includes a full-width, removable waste tray for easy cleanup.

Each unit rests on 4 casters which offer convenient mobility and allow the unit to be moved away from the wall for cleaning.

Choose between a two-drawer or four-drawer base to meet your capacity needs.

Equipped with a back right 115V electrical connection, 1/6 hp compressor, and R290 refrigerant to cool the cabinet and electronic temperature controls.

Chrome-plated cooktop has superior heat retention to ensure a cooler kitchen and 30% more energy savings

The 1 3/4" insulated stainless steel top with marine edge contains drips and spills for easy cleanup.

Proper Care for Chrome Griddles

To ensure maximum performance, you will need to use non-metallic high heat utensils. Never chop, hack, or hit on the griddle surface as this will cause irreparable damage.
