Adding a logo to your bag....

- ✓ Builds brand recognition, professionalism, and customer trust.
- ✓ Helps customers quickly identify delivery employees.
- ✓ Creates awareness of your brand to potential new customers.

We make it easy for you by offering....

- ✓ Competitive prices.
- ✓ Low custom order minimums of just 5 bags.
- ✓ Quick production lead times of 10-14 business days (after proof has been approved).

Only select bags are available for customization currently.
To see available decoration locations on a bag, select "customize & add to cart".

Artwork Requirements

- High-quality vector artwork (.ai, .eps) or high-resolution .png or .psd files (300 DPI or greater) with transparent backgrounds.
- If the above file types aren't submitted, it's possible there could be an art charge to prepare the file.
- If you need your logo color changed (for example, changing a black logo to white), we will need a vector artwork file.

Ordering Information

- Digital Proof Lead Time: 3-4 business days.
- Production Time: 10 - 14 business days after proof has been approved.
- Logo will be sized approximately 4"-6" wide unless specified otherwise.
- Once digital proof has been approved, order cannot be cancelled and customized items cannot be returned.

Color Options

Please provide the stock colors (below) in the comments box when ordering that you would like us to use. The colors may differ to the exact colors in your logo. In most cases, our stock colors are sufficient for customers. If you need an exact match, we will need the PMS colors in your logo file and this will incur additional fees of \$50 per matched color and could add additional lead time.
