

# Paper Wine Bag Customization

Thanks to the unbleached, plain kraft paper construction, these wine bottle bags can be customized with images or text. You can make impressions by personalizing the bags with your business logo, or with imagery to thank your guests for their patronage!

## **Printing Capabilities:**

Files will be spot color printed (not process CMYK) with a maximum of 8 colors. The entire bag can be printed, but prices will vary depending on coverage.

## **Artwork Requirements:**

Artwork can be submitted in AI, EPS, PDF, JPG, or PSD (AI is preferred). Files must be submitted at 300 DPI and scaled to the intended size. Lines in artwork can have a minimum thickness of 1 pt., but thicker lines are preferred for better results.

## **Proof and Production Lead Times:**

Proofing – Less than one week

Production – 5-7 weeks after approvals
