CADDIE ASSEMBLY GUIDE

TOOL NEEDED

Rubber Mallet

Consider using this optional resource that provides information on assembling the Cut Table Caddie.

A Using a rubber mallet, insert all four casters securely into the base of each pole. Position a solid shelf for pan storage at Slot #4. Install two 24-inch hanger rails at Slot #10 and one 18-inch hanger rail at Slot #11.

B Install the solid surface shelf designated for pizza peel storage at Slot #26.

C Install the solid surface shelf designated for bottle storage at Slot #34. Install two 24-inch hanger rails at Slot #40 and one 18-inch hanger rail at Slot #41.

D Install the wire rack shelf designated for box storage at Slot #46.

E Install the four box dividers on top of the wire rack to organize your small and side order boxes.

F Install a solid shelf at the top of the unit to act as a cover. This will prevent dust and debris from heating vents from coming into contact with food containers.

G Install the wire baskets to the side of the unit
