

# THE MIGHTY LINE 5S FLOOR TAPE COLOR RECOMMENDATIONS

Might Line Color recommendations are based on industry common practice.

	<b>YELLOW</b>	<i>Use to signify safe paths for walking</i>
	<b>RED</b>	<i>For dangerous areas, emergency exit areas</i>
	<b>WHITE</b>	<i>Production equipment: machines, carts, incoming racks</i>
	<b>GREEN</b>	<i>Safety-related areas: eye wash stations, safety showers etc.</i>
	<b>ORANGE</b>	<i>Machinery parts areas</i>
	<b>BLUE</b>	<i>Works in progress/equipment under repair zones</i>
	<b>BLACK</b>	<i>Finished goods area</i>
	<b>YELLOW WITH BLACK DIAGONALS</b>	<i>Extra caution walkways</i>
	<b>WHITE WITH RED DIAGONALS</b>	<i>Safety equipment areas: Fire extinguishers, electrical panels, AED machines, etc.</i>

**Mighty Line** can help you implement a custom 5S system at your facility.
