

Wayne Trademark Graphic File Guidelines for Webstaurant Store Print Jobs

Files should be submitted in PDF format; hi-res levels are best.

Artwork must be sized to the requested diecut size; the artboard must be sized to the dieline dimension. If the required label is a circle, the artboard would be a square the size of the circle's diameter.

BLACK SQUARE IS ARTBOARD 2".
RED CIRCLE IS DIELINE 2".
BLUE CIRCLE IS ARTWORK 1.875"
(0.0625" FROM DIELINE ALL SIDES.)

Both spot colors and CMYK color mode is acceptable.

Placed images must be 300 dpi minimum.

Artwork not meeting the required criteria will require additional Prepress time and be charged accordingly.
