

HOW TO ASSEMBLE GRIDDLE CONDIMENT RAIL

ITEMS: 190GRFP36 & 190GRFP24

**WARNING: ALLOW SUFFICIENT TIME FOR THE GRIDDLE TO COOL
PRIOR TO INSTALLING THE CONDIMENT RAIL**

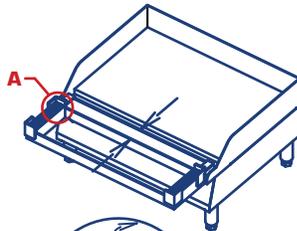

PARTS LIST:

 <p>1pc</p>	 <p>1pc</p>	 <p>1pc</p>	 <p>2pc</p>
--	--	--	--

STEP 1:

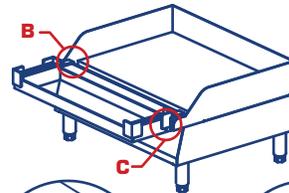

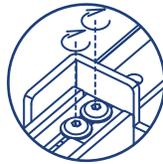

Position the Condiment Rail as seen above and interlock the overhanging lip with the griddle grease channel.

A

STEP 2:

Tighten the two screws on both sides of the condiment rail so it is firmly secured as seen in the image above.

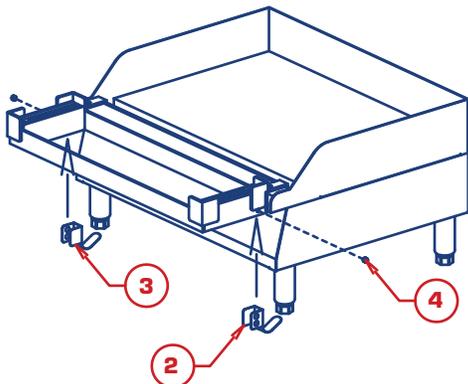

B

C

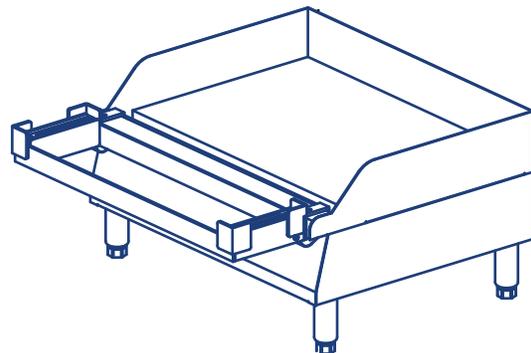

STEP 3:

Next tighten the bolts on the exterior sides of the rail as seen above.

STEP 4:

Finally, install the rail guards on the bottom of each arm to ensure safety for operators.

FINAL ASSEMBLY:
