Instructions

Start by shaving about 8-ounces of ice into a fun glass or cup. Next, top the fluffy shaved ice with rum and about 3-ounces of pineapple syrup. Shave another 8-ounces to top off your cocktail and shape using a dome shaper, gloved hand or a ladle. Pour the rest of the syrup on the unflavored ice, then top it all off with *pureed pineapple or pineapple chunks and ENJOY!

Don't forget to garnish your glass with a fresh slice of pineapple, an umbrella, a fun straw, or some colorful sugar!
