Instructions

To begin, serve one scoop of vanilla ice cream into a cup or bowl. Next, shave 12 ounces of shaved ice on top of the ice cream. Create a dome shape on top by using a dome shaper or by rotating your wrist as the ice is shaved. Pour root beer flavored syrup around the edge and down the center of the ice. Finish by drizzling 1 to 2 ounces of sweetened condensed milk across the top. Serve with a spoon.
