

## **Premium Hot Chocolate Mix 2/5lb**

Hot Chocolate Mix:

Quantity of Mix	Quantity of Water
-----------------	-------------------

1/3 cup	6-8 ounces
---------	------------

1-1/3 cups	4 cups
------------	--------

5-1/3 cups	1 gallon
------------	----------

Add mix to hot water and stir well. Enjoy.

\*Water should be hot, but not boiling. More or less mix may be added according to taste.

\*Can be used in self-serve machines.
