Making it **SIMPLE** is our Mission®.

Dry Foodservice Towels

Messes aren't one size fits all, your towel shouldn't be either. Sani Professional® Dry Foodservice Towels are BPI Certified 100% compostable in industrial facilities, and food code compliant for use on food contact surfaces.* Enjoy a cleaner¹ and greener² alternative to linen towels.

G125DA

FEATURES

Control the mess. Control the costs. Control-the-Roll™

- **Save Time** - Will last up to 8 hours with normal commercial use.
- **Save Money** - Perforated allows you to select the towel size.
- **Save Space** - Compact roll saves storage space.
- **Heavy Duty** - Absorbs 8x its own weight in spills. Over 25% more absorbent than other foodservice towels in its class.³

INSTRUCTIONS FOR USE

Determine the correct towel size for your task. Pull towel off the roll to desired size and tear at the perforation.

COMPOSITION

Made from 100% sustainable fibers (i.e., viscose or wood pulp)

SUSTAINABILITY FACTS

BPI®

COMPOSTABLE IN INDUSTRIAL FACILITIES

Check locally, as these do not exist in many communities. **Not suitable for backyard composting.** CERT # 10528559

Our dedication to sustainability showcases our commitment to using innovation and sensible environmental steps to minimize our impact on the environment.

WHERE TO USE

All surfaces cleaned with linen towels, including:

Back of House

- Food prep tables
- Cutting boards

Front of House

- Tables
- Chairs
- Countertops
- Bar tops

SANI PRO TIP:

Use to pat dry vegetables, meats and seafoods.

A Greener Alternative to Linen Towels!

CHOOSE WISELY

**Sani Professional®
Dry Foodservice Towels**

VS.

**Laundered
Towels**

FLEXIBILITY		
✓	Control-the-Roll™ perforated format allows you to choose the right size for every task. Quickly clean up any size messes and spills.	✗ One-size towel, no matter the size of the task.
ENVIRONMENTAL IMPACT		
✓	Made from 100% viscose fibers. BPI Certified 100% compostable in industrial facilities.	✗ Laundering towels can waste up to 3 gallons of water per pound, every time an item is washed ² and uses chemicals and bleaches that are not eco-friendly.
VALUE		
✓	No hidden charges with Sani Professional® Dry Foodservice Towels - just one low price!	✗ Laundered towel programs include as many as 6 additional charges: damage fee, energy charge, delivery charge, replacement fee, environmental/fuel surcharge fee.
ABSORBENCY / DURABILITY		
✓	The Sani Professional® Dry Foodservice Towels are 25% more absorbent than other foodservice towels in its class ³ and durable enough to last up to 8 hours.	✗ The absorbency and strength of laundered towels will diminish the more it is laundered.
