

SPACER BASES FOR CONTAINERS

FOOD PRESERVATION AND SOUS-VIDE
SOUS-VIDE COOKERS

SALES DESCRIPTION

Stainless steel made spacer tank bases for insulated tanks, enhanced tanks and Gastronorm tanks.

The spacer base insulates the product from the tank floor, allowing water circulation. Thus, a more uniform cooking result can be obtained.

AVAILABLE MODELS

1180190 Spacer tank base for 28l container

1180191 Spacer tank base for 56l container
