

## Liner Bag

### Installation Instructions

#### Notes:

1. Rigid liners may vary by shape & size.
2. Liner bag provided by others.

### Step 1

Using appropriately sized liner bag, open and insert into the rigid liner.

### Step 2

Twist both sides of liner bag to tighten against outside of rigid liner.

### Step 3

Push the twisted ends of liner bag into the retention holes on each side of rigid liner.
