

Use & Care Guide

BISTRO SERIES CHAIRS & BARSTOOLS

ARRIVAL

1. It is the responsibility of the recipient to inspect the shipment for damage prior to signing the bill of lading. Damages must be reported to your authorized retailer within 5 days of receipt.
2. Inspect all welds and fasteners on chairs/barstools for damage before use. Ensure all legs are straight and touching the floor.

STORAGE

1. After assembly, do not store upside down.
2. Do not stack higher than 4 chairs or barstools together. Use caution when stacking and unstacking.
3. When storing outdoor furniture long term, cover or move to an enclosed / covered area.

CLEANING INSTRUCTIONS

TESLIN / RATTAN MATERIAL:

1. Use a clean, dry cloth to brush off any dirt or debris. Spray with a hose or rinse with water if necessary.
2. Dry material with a clean, dry cloth when wet. Make sure material is fully dry after cleaning and before use to prevent discoloration.
3. Do not use abrasive cleaners or products.

ALUMINUM FRAME:

1. Use a clean cloth with mild soap and warm water to clean the aluminum frame. Rinse the frame with clean water to rinse off the soap.
2. Completely dry the frame with a clean, dry cloth. Ensure there is no accumulation of water inside the frame.

CAUTION

1. Do not exceed weight capacity limit of 330 lb.
2. Do not stand on chairs/barstools. Do not shake or sway while in use. Keep all four legs on the ground when in use.
3. To prevent water spots, do not allow water to pool / stand on the surface of the seat or back.
4. Do not use abrasive cleaners or solvents on the teslin or rattan materials, as this can damage the material and affect its appearance.
5. Avoid dragging the furniture on the ground, as scratches that chip the frame finish can cause oxidation.
