

# Use & Care Guide

LUGGAGE AND BELLMAN CARTS

LANCASTER™  
TABLE & SEATING

## ASSEMBLY/ARRIVAL

1. Inspect all components of carts for damage upon arrival and before assembly.
2. Ensure that all bolts and screws are tightened, the structure is sound, and there is no damage before use.
3. Refer to the assembly instructions in order to put together the cart properly

## ONGOING MAINTENANCE

Monthly: Ensure that all bolts and screws are tightened, the structure is sound, and there is no damage.

## CLEANING INSTRUCTIONS

1. Clean using a solution of mild soap or detergent with warm water. Recommended cleaners are 999SPIFSHINE & 147LMNLANRQT.
2. For dried-on dirt, clean with a soft brush and a mild cleaner.
3. Make sure metal is fully dry and cleaned before use to prevent rusting and other discoloration as this may be the result of misuse and may not be

## WARNINGS

- Do not use luggage or bellman carts if any parts are broken or missing.
- Never ride, sit, or stand on carts.
- Do not let children on carts.
- Make sure luggage or baggage is secure on carts before maneuvering or luggage could fall off, causing injury.
