Guidelines for Successful Merrychef Demonstrations:

Rules of Thumb:

1. If the outcome is shriveled up, dried out or contains hard spots. Lower the microwave % (which may mean extended time).
2. If it's too dark or charred too much, Lower the Air Impingement Fan %.
3. If low internal temperature and can take more microwaves, increase microwave %.
4. If it's not crisp enough or enough color, Increase the Air Fan %.

Recommended Key Accessories:

- Cutting Board, Spatulas, Tongs, MerryChef Paddle, Merrychef Basket, ¼ size sheet tray, Grill Pan, Silicone Forms or Ramekin, Pastry Brush, Gloves, Towels, Serving Utensils and Plates, Napkins, Beverages, etc.
- Food ingredients prepared and stored properly.
- Data Collection tools.

Recommended Demo Recipes:

The following is a collection of 4 recipes designed to highlight the speed, versatility and performance of the E3 and E4. Spanning the entire day-menu encompassing Breakfast, Lunch, Snack/Appetizer and Dinner Entrée, these recipes illustrate the features and benefits of the Merrychef Eikon Series.

E4 Recipes:

- **Eggs Benedict:** Demonstrates the ability to cook fresh eggs while toasting muffins and reheating a cooked protein such as Canadian Bacon. This application can be served classically or assembled as a sandwich.
- **Monte Cristo Panini:** Illustrates the grilled or Panini Style sandwich eliminating the need for a Panini press.
- **Stuffed Mushrooms:** Presents the speed and versatility using a variety of traditional restaurant accessories to prepare and serve appetizers.
- **Salmon Saltimbocca:** Showcases “good Food Fast” as a complete meal for maximum day part coverage.

E3 Recipes:

- **Cinnamon Rolls:** Demonstrates the ability to cook fresh pastries. This application can be executed as a cook and merchandise or cook and serve.
- **Breakfast Skillet:** Illustrates the complete meal as a breakfast offering eliminating the need for multiple pieces of equipment.
- **TBLAST Wrap:** Presents the speed of serving lunch, hand held or ‘Grab n Go’ snacks using signature features of a local chain restaurant.
- **Ribs & Fries Retherm:** Showcases “Good Food Fast” as a complete meal for maximum day-part coverage as well as “speed scratch” and convenience product execution.

TOP Reasons to Spec Merrychef Speed Ovens

(See Merrychef Competitive Handbook for Turbochef comparisons)

1. **Patented Planer Plume Technology (e2, e6)**: Patented Planer Plume technology offers superior heat transfer method by directing air into planes which collide above the food surface and then drawn around the food.
 - Saves up to 33% in energy compared to competitive models.
 - Quieter cooking performance over competitive models.
 - Superior air and temperature circulation improves food quality.
2. **Superior Dual Technology Design (e4)**: Merrychef's combination of "Convection Heat", top and bottom "Air Impingement" and side to side "Microwave Heat" is a more effective air and temperature heat transfer resulting in superior food quality.
3. **Exclusive easyToUCH touch screen controls offers more standard features**: All Merrychef models offers the same simple, easy to use "easyToUCH" touch screen controls resulting in:
 - Easy Manual Cooking.
 - Easy Recipe Programming.
 - Easy "One Touch" picture icon operation.
 - Easy cookbook recipe access.
 - Easy "One Touch" favorite recipe access (Press n Go).
 - Easy on screen step by step cleaning instructions.
 - Easy and superior built-in self diagnostics.
4. **Exclusive MenuConnect PC Recipe Software**:
 - Allows recipe changes to be made on your computer, and then updated to Merrychef Oven via USB memory stick.
5. **Simple to Use Cleaning Icon with "On-Screen" Cleaning Instructions**.
 - Step by step "On Screen" instructions simplify and speed up cleaning.
 - Fewer parts to take out of oven to clean compared to competitive models.
6. **Standard with Internal and External Filters which extends life of the oven**.
 - Exclusive external filter interlock prevents operation until filter is in place.
 - Internal Filters extends life of unit and internal components.
7. **Exclusive "Air Curtain" Safety Shield**.
 - Prevents burns from steam and heat escaping when door is opened.
8. **Uniform design across product line**.
 - Standardized operation, maintenance and replacement parts with all models reduce training and maintenance costs.
9. **Superior before and after sale support**:
 - Factory trained and certified rep network and Field Marketing Managers.
 - Superior factory trained chefs and local culinary network.
 - Extensive Manitowoc "Star Certified" Authorized Service Agency network.
