

Using Morbifrutta

Instructions:

- a. Add all ingredients except for the Delipaste flavoring in a mixing bowl.
- b. Mix the ingredients for about 3-5 minutes.
- c. Slowly add the Delipaste flavoring and mix for an additional 3-5 minutes.
- d. Add the mixed product into the batch freezer and start the production cycle.
 - a. NOTE: Follow the equipment specific instructions in order to properly run the cycle.

Sorbet	4-liter batch	8-liter batch	16-liter batch
