

MTB Series – *Mobile Bench Tables*

Clearance between table tops
helps prevent pinched fingers.

The ¾" thick top and bench construction features a high-pressure laminate surface, a high-density particleboard core, and a backing sheet to help prevent warping.

PVC T-mold edge banding and 1½" radiused corners add safety. Optional Sure Edge finish available.

Three support bars per bench, providing extra strength and durability.

3½" swivel casters have ball-bearing raceways for easy mobility.

Torsion bars facilitate the easy folding and unfolding of tables.

Z-channel apron is constructed of heavy-gauge steel.
