

NOBLE CHEMICAL NON-VALIENT NON-ACID TOILET BOWL & RESTROOM CLEANER

FOR USE ON:

Metals
Plastic
Fiberglass
Toilets
Urinals
All bathroom fixtures
Locker rooms

DESCRIPTION:

Give your restroom the sparkling, professional clean it deserves and keep your customers happy with this Noble Chemical 32 oz. Non-Valient toilet bowl and restroom cleaner! Proper maintenance of a high traffic restaurant, school, or hotel bathroom goes a long way towards ensuring patron satisfaction, and this powerful solution makes it easier than ever before.

The all-purpose formula kills odor-causing germs and inhibits the growth of mold and mildew on toilet bowls, urinals, sink basins, tubs, tiles, tabletops, and other non-porous surfaces. The solution also clings to many vertical surfaces, such as walls and stall dividers, and leaves behind a long-lasting fresh scent.

DIRECTIONS:

Please note that it is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To clean and disinfect toilet bowls: Remove or expel over the inner trap residual bowl water prior to applying solution. Use 4 ounces of concentrate in toilet bowl. Squeeze around bowl and under rim. Then scrub thoroughly with brush. This product, when used as directed, will not harm white or colored bowls or inanimate, hard surfaces. Close cap on container after use. For urinals, add 4 ounces of concentrate. Then scrub thoroughly with a brush for a contact time of ten minutes.

Bathroom: Great for cleaning and deodorizing basins, tubs, and tiles. Leaves everything bright and clean, kills odor-causing household germs. Odors disappear instantly. Use where odors are a problem.

For Disinfecting: Apply by mop, sponge, cloth, or spray on hard-porous surfaces for a minimum contact time of ten minutes in a single application. For disinfecting, remove gross food particles and heavy soil deposits, then thoroughly wet surfaces. Ready to use solution may be used once and discarded. RINSING IS NECESSARY ON FLOOR SURFACES WHICH ARE TO BE WAXED OR POLISHED.

Kitchen: Kitchen floors collect both traffic dirt and germs. Use anywhere greasy dirt is a problem.

Mildewstatic Instructions: Will effectively inhibit the growth of mold and mildew plus the odors caused by them when applied to hard, non-porous surfaces such as walls, floors, and table tops. Apply solution by spraying making sure to wet all surfaces completely. Let air dry. Repeat application weekly or when growth reappears.

Sanitizing Non-Food Contact Surfaces: Such as walls, floors, and tables at an undiluted use of concentration. The product is effective against *Staphylococcus aureus*, and *Enterobacter aerogenes* in the presence of 5% serum for specified hard, non-porous surfaces.
