

FOR LARGE BREWER...

- For 3-gallon commercial brewers such as Curtis or Bunn: Pour contents of three iced tea pouches into filter and brew.

WHITE ORANGE GREEN

INGREDIENTS

- 1 Citrus Green iced tea pouch
- 2 pumps (1 Tbsp. or ½ oz.) orange syrup
- 1 pump (½ Tbsp. or ¼ oz.) ginger syrup

PREPARATION

makes 16 oz. glass

1. Place one green iced tea pouch in gallon container
2. Bring two quarts of fresh water to boil
3. Pour over pouch and let steep 6-8 minutes
4. Gently squeeze pouch to release all flavor and discard
5. Add two quarts cold water and refrigerate
6. In shaker, place orange and ginger syrups with 16 oz. pre-made green iced tea
7. Shake and serve over ice
