Part Identification

Plug Type

Plug Type	CE
Main Power Part Number	16-0000-00821
Cable	3G1mm2
Length	1900 +/-20

Note: These power cords all have a 90 degree connect SF-203. Hamilton Beach's intent is to stock and carry only 1 model of each type of power cord and use these for several models. Although the serviced models may have different cords listed in their agency files we have selected a common cord which will meet the requirements of all the models serviced.

NOTE: All CARE parts shall be packaged and identified per the requirements documented in HBB specification 710142800.
