DETAIL INFO

!! CAUTION

Read and understand this entire manual before you use this product.

- Do not store this product in an extremely hot environment, as it will reduce the battery life. Dispose responsibly.
- Always keep the work light away from any flammable surfaces or materials.
- Do not look directly for a long time at the lighted lamps in order to avoid eye discomfort.
- Do not operate the work light if it has a missing or damaged lens cover.
- Clean the work light with a soft cloth and non-abrasive cleanser.
- Store the work light in a safe place and out of the reach of children.
- Warning: Always ensure that you unplug the work light and allow it to cool before you attempt to clean it
