TCS-3000 SURE LITE (INTERIOR) ISB-12/24 INSTALLATION INSTRUCTIONS

1. Remove Lid From Switch Box

- Unscrew all four holes on the corners of the switch box lid (fig. 1) using a small Phillips or flat end screw driver.
- Place lid to one side.

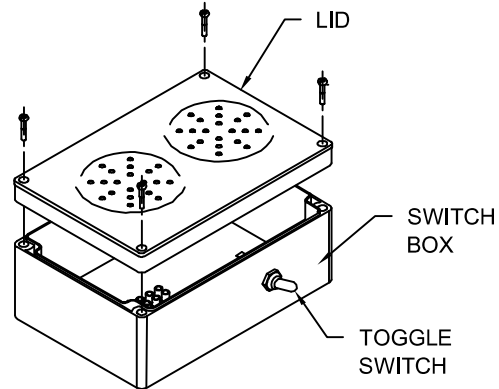

fig. 1

2. Mount Switch Box (Mounting Hardware Not Supplied)

- Decide on desired location for switch box.
- Using the template provided (page 2), mark and drill four mounting holes.
- Bolt switch box into place.

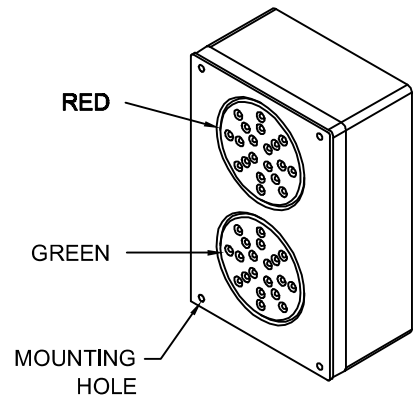

fig. 2

SWITCH BOX SHOULD BE LOCATED
IN A VISIBLE LOCATION ALLOWING
EASY ACCESS TO TOGGLE SWITCH.
