

# HOW TO BREW

## EASILY BREW BY THE PITCHER:

Pour 4 cups boiling water over 4 tea bags in a clean heat-resistant pitcher, steep for 4 minutes, remove tea bags. Fill the rest of pitcher with ice or 4 cups of cold water. Enjoy now or refrigerate for later.

## EASILY BREW BY THE GLASS:

Pour boiling water over tea bag in a heat-resistant glass, steep for 4 minutes, remove tea bag, add ice to desired strength & enjoy!
