

VERSATILE FOOD STORAGE SOLUTIONS
FOR COMMERCIAL KITCHENS

Plastic Food Pans

Prep, Store, Transfer, and Serve

A durable addition to your kitchen, Vigor Plastic Food Pans can be added to your refrigerated prep tables or serve as loose storage bins on your wire shelving. Ideal for a variety of foods, they withstand a range of temperatures and are available in clear, black, and translucent.

Reinforced Corners

Reinforced top and bottom corners won't bend, crack, or dent to provide long-lasting use.

No-Waste Design

Non-stick interiors and spoonable bottoms make removing contents easier, reducing food waste and making cleaning a breeze.

Built-In Indicators

Capacity indicators allow for quick and easy inventory management and measure out how much you need of any product.

Stackable

Stacking lugs allow you to maximize space by storing all your food pans together when not in use.

LISTED

Plastic Food Pans

Available in Clear or Black Polycarbonate and Translucent Polypropylene

Polycarbonate

- Virtually unbreakable to guarantee longevity
- Resistant to food acids and oils
- Available in clear or black
- -40° to 212° F temperature range

Polypropylene

- More affordable compared to polycarbonate
- Translucent color allows user to see contents
- BPA- and chemical-free
- -40° to 160° F temperature range

Maximize Your Food Storage with Vigor Lids and Drain Trays

COMPATIBLE LIDS

DRAIN TRAYS

DURABLE FOOD PANS

Lids protect against spills and keep food fresher for longer. Drain trays improve food quality and freshness, elevating food out of grease, juice, and excess water. Both are available in multiple sizes and styles.

SPECIFICATIONS

**All items are available in clear (item # ends in CL), black (item # ends in BK) and translucent (item # ends in PP).*
